

**Be part of
a revolution**

StartupTools

A smarter way to work

Standardization

Over **20,000 people** have downloaded our free materials. It is clear that we have an impact. And that it actually works.

- Shareholders' Agreements
- Full Investment Documentation
- Consultant Agreement
- SWEAT-model
- and many more templates

SaaS Platform

All the tools needed to do the job the right way. Integrated with each other as one smooth platform. It has never been easier to get things right.

- Share Register
- Share Issues
- WISE Convertible
- Option Programs
- Employments
- NDAs
- Board meetings
- AGM/EGM
- E-Sign
- and plenty more

To get started using [StartupTools](https://app.startuptools.org): Visit app.startuptools.org, sign up for a free account and tell us on intercom that you are with Founders loft to activate your 6 month free trial.
